

	PurePal (AG800)	PurePal Plus (AG850)	PurePal Clean Room (AG900)	PurePal MultiGas (AG950)
<b>DESIGNED FOR</b>	For Asthma & Allergy Sufferers – Wide Spectrum Particle, Some Molecular and Odor Filtration	Enhanced Technology for Particle, Chemical, Odor and Microbe Filtration	CleanRoom Grade Air Filtration Technology for Microbes, Chemicals and Particles in Critical Areas	Multiple Chemical Sensitivity (MCS) – Advanced Technology for Molecular and Odor Filtration with Particle Filtration
<b>FILTER CONFIGURATION</b>	Gas & Odor Filter: Features 3 lbs of enhanced special blend carbon that capture Chemical, Odors, VOCs.	Gas & Odor Filter: Features 3 lbs of enhanced special blend carbon that capture Chemical, Odors, VOCs.	Gas & Odor Filter: Features 6 lbs of enhanced special blend carbon that capture Chemical, Odors, VOCs.	Gas & Odor Filter: Features 15 lbs of enhanced special blend carbon that capture Chemical, Odors, VOCs.
<b>FILTER CONFIGURATION</b>	HEPAfast Filter: Features 50 sq ft premium HEPAfast Media. HEPAfast minimizes pressure drop and operates with remarkably high efficiency, meaning that air gets up to 40% cleaner than with typical HEPA technology.	HEPAfast Filter: Features 50 sq ft premium HEPAfast Media. HEPAfast minimizes pressure drop and operates with remarkably high efficiency, meaning that air gets up to 40% cleaner than with typical HEPA technology.	cHEPA Filter: Features 40 sq ft premium cHEPA filter with an efficiency rating of over 99.996%. Revolutionary Airgle technology delivers continuously purified air at ten times the efficiency of typical HEPA technology.	cHEPA Filter: Features 20 sq ft premium cHEPA filter with an efficiency rating of over 99.996%. Revolutionary Airgle technology delivers continuously purified air at ten times the efficiency of typical HEPA technology.
<b>TITANIUM PRO</b>	Not Available	Included Patent pending technology, next generation of PCO System that removes odors and VOCs, and kills bacteria and virus.	Included Patent pending technology, next generation of PCO System that removes odors and VOCs, and kills bacteria and virus.	Not Available
