

# REPLACING THE REMOTE CONTROL BATTERY

PurePal<sup>®</sup> Series  
(Model: AG850, AG850, AG900, and AG950)

This air cleaner complies  
with the federal ozone  
emissions limit.  
ARB CERTIFIED

## USING THE REMOTE CONTROL

Use the remote control to:

1. Switch the system on/off
2. Change mode from manual to auto
3. Regulate fan speed
4. Set Timer

The infrared receiver of the Airgle® system is located in the right hand bottom corner of the control panel. In order to get the best signal transmission, the remote control should be pointed at the control panel when pressing any button on the remote.

## Replacing the remote control battery

1. Open the battery compartment by pressing the small lever to the side and slide the battery compartment out.
2. Remove the used battery.
3. Insert the new battery (Lithium coin battery 3V). Be sure that the (+) and (-) are correct.

Note: Rechargeable batteries are not compatible with the remote control.
